The Oakdale Band Fees and Uniform Fee per student, per season, is required to financially support the school's band and guard program. Fees collected contribute to the program to underwrite transportation of students, truck rental to transport instruments, uniforms, and props, staff compensation, equipment and uniform orders, repairs, and replacements. Parents or guardians who are not financially able to pay the full participation fee amount by the required deadlines may request a modified payment plan, or a waiver of all or part of the fee **prior to the first due date for fees of the season in which a waiver is being requested.*** All requests must be made, in writing, to the band director and approved by the Scholarship Committee, comprised of the Band Boosters President, the Band Boosters Treasurer, an additional Executive Board member, and a designee of the school administration.

***Unforeseen circumstances can be addressed after the due date by completing the waiver request and submitting to the band director, per approval of the Scholarship Committee.**
